## Take Home a Bit of French Flair!

Step into the enchanting world of vintage French advertisements with a Cachou Lajaunie poster designed by talented artist Francisco Tomagno who earlier designed the famous "Pierrot" image for Cointreau.

At the heart of Tomagno's 1905 composition, a captivating Victorian woman takes center stage, delicately holding a coveted tin of Cachou Lajaunie as admirers from various professions gaze at her. Cachou Lajaunie is a licorice candy designed to mask smoker's breath, and the poster proudly proclaims its recommendation for smokers, chauffeurs, cyclists and others, adding charm to its allure. The candy is still made today in Toulouse.

French publicity posters are an art genre of their own that began in the later 1800s with the invention of color lithography. The Belle Epoque era from 1890 to turn of the century was the peak period for the French poster. The genre remained popular through the Second World War.

The Poster is framed in a black lacquer frame ready to hang. (39"x51" unframed.)

Perfect condition with no age marks.  
Certificate of authenticity.

# Beautiful Tuscany! Bellissima!

Back by popular demand, this extraordinary offer comes with no expiration date allowing you to experience the joy of living the Tuscan dream now or in the future. Past Cabaret winners of this trip came back raving about the enchanted beauty, history, and tradition of the ancient hilltop town of Manciano, Italy.

Now you can enjoy a one week stay in one of eleven “casas” most with two bedrooms, two baths, kitchen, and lovely living area. Shop in the village market for fresh local Tuscan produce, and dine alfresco on your large garden patio. Follow up with an evening stroll to town for a gelato.

Manciano, in the heart of the Tuscan Maremma, is a short 1.5-hour drive from Rome, and just 30 minutes from the enchanting seaside villages of Porto Santo Stefano and Porto Ercole. Rich in medieval history, Manciano has a beautifully maintained “old town” and a 12<sup>th</sup> Century castle, and has been inhabited since the Bronze Age. The town offers views of the gentle hills that extend inland toward the mountains and down toward the sea, and nearby hot springs have been gushing water since the Roman period.

Perhaps you will choose a week to coincide with one of the many festivals featuring cheese, wine, strawberries, mushrooms or the presentation of the new extra virgin olive oil in the fall. History lovers will want to visit the nearby town of Saturnia considered by some to be the cradle of Italian civilization.

Accommodations are for four people. Pick the villa for your specific dates or choose your villa and be given available dates. Maximum flexibility with no expiration date. Available in 2024 and beyond. All units subject to availability.

# Win the Hottest Ticket in Town ... Banana Ball!

## With a Savannah Hotel Stay

## Gift Cards for Brunch and Lunch

The Savannah Bananas are an exhibition barnstorming baseball team based in Savannah which makes going to the ballpark fun and entertaining. A combination of traditional baseball and entertaining hijinks, the team plays in a similar style to the popular Harlem Globetrotters. Founded in 2016 as a collegiate summer baseball team, the Bananas transitioned to more of a circus baseball style and their popularity has soared. Getting a ticket can be a challenge.

Players are recruited from the old collegiate league team, new hires from independent leagues, and college and minor league baseball teams. They currently compete against the Party Animals and the Firefighters, two other exhibition baseball teams. The team played 87 games in 33 different cities during the 2023 Banana Ball World Tour.

**Your package will include four tickets to see the Bananas – and their mascot Split – take on the Party Animals on Friday, April 5<sup>th</sup> at 7:00 p.m**

They will play at historic Grayson Stadium in Savannah.

It will include a \$300 Gift Card for any Marriott hotel. You may experience Savannah cuisine with a \$25 gift card for lunch at Clary's Café serving Southern-style diner classics, a \$25 gift card for lunch at The Green Truck Neighborhood Pub, and a \$100 gift card for brunch at B. Matthews Eatery serving classic and new American fare in an updated vintage space.

All you have to do is plan your stay and enjoy exploring the warmth and beauty of Georgia's oldest city – with a bit of baseball game frivolity!
