

Cabaret Disco Night
Celebrating 20 Years of Cabaret Galas
Frederica Golf Club
Friday, February 28, 2025 at 6:00 pm

Come leave the worries of the world behind, and join us for an evening of glamour and fun. We are creating a full disco club atmosphere complete with a dazzling disco ball above the dance floor and Island DJ spinning tunes from the disco era. Patricia Ploeger from Omcore will be on hand to teach us favorite disco dance steps. We chose the theme in celebration of 20 years of bringing people together with our signature gala, *Cabaret*.

Customized cocktails will be served while guests peruse our Silent Auction items including Great Escapes, Gourmet Temptations, Special Experiences and more.

Online review and bidding begin on February 14th at cabaretdisco.givesmart.com. Guests will need to have their phones handy to update bidding while attending the party. An exciting Live Auction follows a gourmet dinner served in the dining room. It will include perennial favorites like a fabulous trip to the hilltop town of Manciano, Italy and other destinations. Brad Brown of Brown's Antiques will call the auction.

The gala is the Symphony's signature fundraising event. Its success is critical to our ability to keep offering excellence in classical music concerts, SoundBites with smaller audiences outside the concert hall, and our very successful education in schools program – Musical Mentors. There are many ways to get started on your plans for participating in Cabaret in support of those efforts.

First, consider our **patron options** displayed on the Cabaret drop-down menu on the [Buy Tickets](#) page on this website. Or buy **individual tickets** and encourage your friends to join you at a table. Join the **Men's Committee** to help underwrite our cocktail hour.

So, get out your dancing shoes and maybe some sequins and satin – disco fashion is encouraged! We look forward to seeing you at ***Cabaret Disco Night!***
